

PARKING/DROP OFF INFORMATION

- You have two options, you can either be dropped off or you can drive and park.
- Please ***do not park in any of the lots on the campus.*** We are trying to save parking for our patients and guests. You will be directed to park across the street behind the SunTrust Bank in the 993 parking deck and ***bring your parking ticket with you.*** You must then ***carefully cross Johnson Ferry Rd. at the crosswalk and come in the main entrance.***
- Teens being dropped off need to go to the Women's Center entrance to be dropped off. ***Do not go to the Labor & Delivery entrance.*** Parents cannot wait in the circle—if you are going to be late they must park.
